

BERK PARKING MAP

Parking near our office can be challenging. Many parking lots fill up quickly or don't allow visitors. Street or lot parking north of our office (towards the Space Needle) is often your best bet.

Note that some mapping programs direct you to the alley behind our office. The front door to the building is located on 6th Avenue, a one-way street running north.

- 1 Denny Building Garage**
Hourly: \$6 (0-1 hr), \$4 each additional hr up to 4 hrs.
